I work part-time as a digital media consultant, managing the company website and editing any multimedia products.

- Redesigned the original website, and continue to update per the owner's request
- Create an online store and create a layout for website consistency
- Created a digital form to automate/increase potential customer interaction.
- Edit all raw digital videos for posting on the company website and all social media platforms.
- Manage website analytics and make recommendations.
- Design and create digital and print media
- Increased all social and digital interactions to promote company visibility and customer service

Graphic Design (CTE) Teacher - Garland ISD July 2013 - July 2022

Garland, TX 75040

Graphic Design instructor in the Career and Technology department. Consistently lead PLC meetings for all Graphic Design teachers in GISD. Coordination of all Principles of Arts/AV/Comm. classes (all design-related course prerequisites).

- PLC Leader for all district-level graphic design teachers..
- Pioneered the transition to Google Meet for all PLC meetings.
- Digital Instruction Coach (4 years). Providing support to help teachers transition to utilizing digital tools in instruction.

- Classroom teacher (9 years) creating curriculum for Graphic Design (3 levels), Principles of Design, Principles of Construction, and Information Technology.
- On-Campus Improvement Team (2 years).
- Co-sponsor for DECA (business training student organization), TSA (technology student association), and mentor for GHYO (Garland High Youth Organization)
- Presenter at GISD Icon - 4 years (district lead digital professional development training).
- Yearly increase in the number of student certifications in Adobe Photoshop. (Final year @ 95%)
